## Mother's Day!

The theme was pink! It was a great time! It was an honor for us to show you how much we care for you. It was wonderful to share and laugh and dance! The food was great! We had a delicious Mother's Day dinner in our cottages and a fantastic brunch in Alf! Thanks to all the mothers for all that you do.

## Jelly Beans!

Last month was National Jelly Bean Day! In celebration of that day, we had a jelly bean contest. The person who guessed the amount of jelly beans in the jar without going over won a gift card from Kroger. Second runner-up took home the beautiful jelly bean jar.

Congratulations to Naomi, who won first place and Merlyn, who was a close second. To all who are wondering just how many jelly beans were in the jar ... 813. Have a Blessed Day, Sharon DeGuido Life Engagement Coordinator

## Thank You!

Greetings, residents and staff. I want to say a great big "thank you" to everyone for making the Mother's Day Brunch fabulous. It was so interesting meeting all of the family and friends who attended. I want to send a special thanks to Jean Bassett's family for bringing the brownies. They made the desert table even more appetizing!  
—Larry Joyner, DSS

Thanks, Jean, Joan and Ed!

## Beat the Heat!

Hot summer months are here, so apply your sunscreen. UV rays are at their hottest and getting too much sun can lead to skin cancer. Drink plenty of fluids, preferably water, to stay hydrated. Always check your weather advisor before attending outside activities. The best times are usually early morning and late evenings. Don't forget to water those May flowers every day to keep them looking vibrant. And to all the fathers out there, Happy Father's Day!!!  
—Arlene Kelley, RCC

## Happy Father's Day, Dad!

"Any man can be a father but it takes someone special to be a dad."  
—Anne Geddes

### Joe's Lake Springs Top 10

Since I have had the pleasure of being here at Lake Springs, I have had the opportunity to tour a lot of different communities. I am here to say with resounding certainty, no one compares to Lake Springs! The love and friendships and good times that are here within these walls are second to NONE! I have created a list of my Top 10 Favorite Things that really set Lake Springs apart as the best in Georgia! This month I will be starting with Number 10, and will be working my way to Number 1! #10. Old-Time Hymns and Good-Time Sermons: Lake Springs has a number of spiritual partners in the Buford area and our walls are always filled with rejoicing and song! Come and listen to Pastor John every Sunday morning, or a performance from the ladies of Suwanee Christian School. Meet with Rabbi Beau for prayer or perhaps you'll enjoy the message and old-time hymns from First Baptist Church of Buford. Don't forget to sit down each week and have your nails done with "Nails for Christ" as Sharon from Mt. Tabor Christian Church takes her time to give your hands the very best! At Lake Springs, you're sure to have a faith that's strong, a soul that's beautiful and a mind that's filled with positive thoughts! —Joe
